Finally found you by Enrique Iglesias

You know I'm (1) get you, yeah	That I finally found, I finally found you
Whatever it (2) to get there	I finally found, I finally (19) you
No, I won't drop you	So can't get (20)
Like everybody else does	Too much to ask for, really so tough
Forget about your friends they don't care where we go	Find yourself moving
If they do we'll get lost in a crowd of people	With the sex of the drums
I've been looking for you forever	Got my hands full grabbing all these girls girls
Baby we go together (3) we go, we go	Hands up hands up
In (4) crazy world of choices I've only got a few	Dance floor (21) while I hold 2 cups
Either you're coming with me, or I'm coming with you	Can't stop spilling because I'm drunk as **
Because I finally found, I finally found you	And my (22) comes on and the club goes nuts
You'll never have to (5) if what I say is true	Every (23) I go, city I sleep
Girl I've been looking for you	It's best that y'all know
And when I saw you I knew	Running around and doing all these shows
That I (6) found, I finally (7)	Round the whole globe, I come and you go girl
you	And you need to think of it
I'm coming to get you	Just arrive for the night, baby, live a bit
We have a connection, that's right	Whit a place to hit
This girl I'm not letting go	And (24) pants to zip
I'm (8) make you feel right	Come make this thing a party, are you into it?
(9) about your (10) they	In this (25) world of choices I've (26)
don't (11) where we go	got a few
If they do we'll get (12) in a crowd of people	Either you're coming with me, or I'm coming with you
I've been looking for you (13)	Because I finally found, I finally found you
Baby we go together baby we go, we go	Finally, finally, (27) found you
In this crazy world of choices I've only got a few	Finally, finally, finally found you
(14) you're coming (15) me, or I'm	Finally found, I finally (28) you
coming (16) you	You know I'm gonna get you
Because I finally found, I finally found you	
You'll (17) have to worry if what I say is true

And (18) I saw you I knew
