

Fill in the gaps

I wear a greasy ball cap	But you came back to me
I like my shirt untucked	And (10) God (11) why
I spend (1) working on my truck	(12) (13) (14) me
I don't like to fight	(15) too many beers
But I ain't scared to bleed	On friday after work
Most don't mess (2) a guy like me	Our best blue jeans (16) skoal rings
Because guys like me (3) too many beers	We wear our boots to church
On friday (4) work	So (17) (18) the edges
Our (5) blue (6) have Skoal rings	It's (19) to believe
We wear our (7) to church	That girls like you
So rough around the edges	Love guys like me
It's (8) to believe	Now there's a lot of guys (20) me out there
That girls like you	In a lot of little towns
Love guys like me	And telling all our buddies
Your daddy worked at the bank	We won't (21) down
Mine worked on cars	We say that's (23) the way we are
You went to college	And the way we'll always be
I pulled graveyard	So God (24) (25) like you for guys
You must have had (9) pick	like me
Of all the trust fund types	Thank God there's girls like you, for guys like me
