Would you capture it, or just let it slip? Yo					
His palms are sweaty, knees weak, arms are heavy					
There's vomit on his sweater already, mom's					
(3)					
He's nervous, but on the surface he looks calm and ready					
To drop bombs, but he keeps on forgettin'					
What he wrote down, the whole crowd goes so loud					
He opens his mouth, but the (4) won't come out					
He's chokin' how, everybody's chokin' now					
The clocks runs out, time's up, over. Blow!					
Snap back to reality, oh, there goes gravity					
Oh, there goes Rabbit, he choked, he's so mad					
But he won't give it up that easy, no, he won't beat it					
He knows his whole back's to (5) ropes, it don't					
matter, he's dope					
He knows that, but he's broke, he's so stagnant that he knows

When he goes back to his mobile home, that's when it's					
Back to the lab again, yo, this whole rhapsody,					
He better go capture this moment and hope it don't pass him
