Lose Yourself by Eminem

Fill in the gaps

Look, if you had one shot, or one opportunity
To seize everything you ever wanted in one
(1)
Would you capture it, or just let it slip? Yo
His palms are sweaty, (2) weak, arms are heavy
There's vomit on his sweater already, mom's spaghetti
He's nervous, but on the surface he looks calm and ready
To drop bombs, but he keeps on forgettin'
What he wrote down, the (3) crowd goes so loud
He opens his mouth, but the words won't come out
He's chokin' how, everybody's chokin' now
The clocks (4) out, time's up, over. Blow!
Snap back to reality, oh, there goes gravity
Oh, there goes Rabbit, he choked, he's so mad
But he won't give it up that easy, no, he won't beat it
He knows his whole back's to these ropes, it don't matter, he's
dope
He knows that, but he's broke, he's so (5)
that he knows
When he goes back to his (6) home, that's
when it's
Back to the lab again, yo, this whole rhapsody,
He (7) go capture this moment and hope it
don't (8) him
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss (9) chance to
blow
This opportunity comes (10) in a lifetime
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes (11) in a lifetime
The soul's escaping through (12) hole
(13) is gaping
This world is mine for the taking, make me king
As we move toward a new (14) order
A normal life is boring, but superstardom's
Close to post-mortem, it only grows harder,
Only grows hotter, he blows us all over,
These (15) is all on him (16) to coast
shows,
He's known as the globetrotter lonely roads, god only
Knows he's grown farther from home he's no father,
He goes home and barely knows his own daughter
But hold your nose 'cuz here goes the cold water
Dat nota jour note our note goes the tola water

They moved on to the next schmoe who (17)	he
nose	
Dove and sold nada so the soap (18)	
Is told and unfolds, I suppose it's old partner	
But the beat goes on da da dum da dum da da
