Make me whole again
Open your eyes
Taunted by the shadows of your light
Cold and far away
Like you're not even mine
Undo everything and take me higher
Never believing what they say
Because I'm (1) the (2)
To meet you on the other side
I will always be waiting
Until the day (3) I see you on the other side
Until the day (3) I see you on the other side Come and take me home
Come and take me home
Come and take me home I'm not giving in
Come and take me home I'm not giving in I want you back
Come and take me home I'm not giving in I want you back Holding together by the shards of our past
Come and take me home I'm not giving in I want you back Holding together by the shards of our past Stole my heart away
Come and take me home I'm not giving in I want you back Holding together by the shards of our past Stole my heart away I can't let you go
Come and take me home I'm not giving in I want you back Holding together by the shards of our past Stole my heart away I can't let you go Break these chains and let me fly to you

To meet you on the other side

Until the day that I see you on the (5) side
Come and take me home
I am so lost without my place (6) your hear
I won't survive, I (7) to know you hear me
Awaken and release my love
Counting the days
To meet you on the other side
I will always be waiting
Until the day (8) I see you on the other side
