

Fill in the gaps

Make me whole again			
(1) your eyes			
Taunted by the shadows of your light			
Cold and far away			
(2) you're not even mine			
Undo everything and take me higher			
Never believing (3) they say			
Because I'm counting the (4)			
To meet you on the (5) side			
I will (6) be waiting			
Until the day that I see you on the other side			
Come and take me home			
I'm not giving in			
I want you back			
Holding together by the shards of our past			
Stole my heart away			
I can't let you go			
Break these chains and let me fly to you			
High above the world below			
Over and (7) in my mind			

(8)	the days		
To meet you on the other side			
I will always be wait	ing		
Until the day that I see you on the other side			
Come and take me home			
I am so lost without my place inside your heart			
I won't survive, I nee	ed to (9)	you hear me	
Awaken and release my love			
Counting the days			
To meet you on the other side			
I will always be waiting			
Until the day that I see you on the other side			
Come and take me			
Counting the days			
To (10)	you on the other sic	le	
I will always be wait	ing		
Until the day that I see you on the other side			
Come and take me	home
