## Hero by Family of the year

Let me go

## Fill in the gaps

I don't want to be your hero
I don't want to be (1) big man
I just want to fight with everyone else
(2) masquerade
I don't wanna be a part of your parade
Everyone deserves a chance to
Walk with everyone else
While holding down
A job to (3) my girl around
Maybe buy me (4) new strings
And her a night out on the weekend
And we can whisper things
Secrets from our american dreams
(5) needs some protection
(5) needs some protection  But I'm a kid like everyone else
But I'm a kid like everyone else
But I'm a kid like everyone else So let me go
But I'm a kid like everyone else  So let me go  I don't (6) to be your hero
