## Breath of life by Florence + The machine

I was looking for a (1)	of the life	I was looking for a breath of the life		
For a little touch of a heavenly light		A (5) touch of a he	eavenly light	
But all the choirs in my head sang: No		But all the choirs in my head sang: No		
To get a dream of the life again		It's a harder way and it's come to claim her		
A little vision of the sun at the end		And I always say, we should be together		
But all the (2) in my head sang: No		I can see the look, because it's something ending		
But I needed a one more touch		And if you are gone, I will not belong here		
Another taste of a heavenly rush		(6) here, belong here		
And I believe, I (3)	it so	And I started to (7) in	t (8)	
Who's side am I on?  But this time it wasn't the end				
Who's (4) am I?		And the room is so quiet oh		
Who's side am I on?		And my heart is a hollow plain		
Who's side am I?		For the devil to dance again		
And the fever began to spread		And the room is too quiet	And the room is too quiet	
From my heart down to my legs		I was (9) for the	e breath of the life	
But the moon is so quiet oh		A little touch of a (10)	ligth	
And although I wasn't losing my mind		But all the choirs in my head sang: No		
It was a call was so sublime				
But the room is too quiet oh
