## Breath of life by Florence + The machine

I was looking for a breath of the life	I was looking for a (4) of the life
For a little (1) of a heavenly light	A little (5) of a heavenly light
But all the choirs in my head sang: No	But all the choirs in my head sang: No
To get a dream of the life again	It's a harder way and it's come to claim her
A little vision of the sun at the end	And I always say, we should be together
But all the choirs in my head sang: No	I can see the look, (6) it's something
But I needed a one more touch	ending
Another (2) of a heavenly rush	And if you are gone, I will not belong here
And I believe, I believe it so	Belong here, belong here
Who's side am I on?	And I started to heart it again
Who's side am I?	But this time it wasn't the end
Who's side am I on?	And the room is so quiet oh
Who's side am I?	And my heart is a hollow plain
And the fever began to spread	For the devil to (7) again
From my heart down to my legs	And the room is too quiet
But the moon is so quiet oh	I was looking for the (8) of the life
And although I wasn't losing my mind	A little touch of a (9) ligth
It was a (3) was so sublime	But all the choirs in my head sang: No
But the room is too guiet oh
