## Dogs days are over by Florence + The machine

Happiness, it nurt like a train on a track	Stuck them up drainpipes
Coming towards her, stuck still no turning back	By someone who (5) know better than that
She hid (1) corners and she hid und	er beds The dog days are over
She (2) it with kisses and from her	nade she
fled	Can't you hear the horses?
With every bubble she sank with a drink	(6) here (7) come
And washed it away down the kitchen sink	Run fast for your mother and fast for your father
The dog days are over	Run for your children for your sisters and the brothers
The dog days are done	Leave all your (8) and (9) loving behind
The horses are coming so you better run	you
Run fast for your mother run fast for your father	Can't carry it with you if you want to survive
Run for (3) children and for your sister	and the The dog days are over
brothers	The dog days are gone
Leave all your love and your loving behind you	Can't you (10) the horses?
Can't carry it with you if you want to survive	Because here they come
The dog days are over	The dog days are over
The dog days are done	The dog days are gone
Can't you hear the horses?	Can't you hear the horses?
Because here they come	Because here they come
And I never wanted (4) from you	ı
Except everything you had	
And what was left after that too.	
Happiness, it hurt like a bullet in the mind
