Dogs days are over by Florence + The machine

Happiness, it hurt like a train on a track	Stuck them up drainpipes
Coming (1) her, stuck still no turning back	By someone who should know better (6) that
She hid (2) corners and she hid under beds	The dog days are over
She killed it with kisses and from her made she fled	The dog (7) are gone
With every bubble she (3) with a drink	Can't you hear the horses?
And washed it away (4) the kitchen sink	Because here they come
The dog days are over	Run fast for your mother and fast for (8) father
The dog days are done	Run for (9) children for your sisters and the
The horses are coming so you better run	brothers
Run fast for your mother run fast for your father	Leave all your love and your loving behind you
Run for your children and for your sisters and the brothers	Can't carry it with you if you want to survive
Leave all your love and your loving behind you	The dog days are over
Can't carry it with you if you want to survive	The dog days are gone
The dog days are over	Can't you (10) the horses?
The dog days are done	Because here they come
Can't you (5) the horses?	The dog days are over
Because here they come	The dog days are gone
And I never wanted anything from you	Can't you hear the horses?
Except everything you had	Because here they come
And what was left after that too.
