When we first (1) here	(DIS XZ)
We were cold and we (2) clear	And when we come (15)
With no (3) on our skin	We'll be (16) in black
We (4) light and paper-thin	And you'll scream our names aloud
And when we first came here	And we won't eat and we won't sleep
We were (5) and we were clear	We'll (17) bodies (18) their graves
(6) no colors on our skin	So say my name
(7) you let the (8) in	And every color illuminates
Say my name	And we are shining
And (9) color illuminates	And we'll (19) be afraid again
We are shining	Say my name
And we'll (10) be afraid again	As (20) color illuminates
(bis x2)	Say my name
And (11) we come for you	And (21) color illuminates
We dressed up all in blue	We are shining

But when it's time to (13)better pray you all-	Say my name
We dressed up all in gray	We are shining
With metal on our tongues	Say my name
And (14) in our lungs	Say my name
Say my name	And we'll never be (23) again
And every color illuminates	
We are shining
