

Fill in the gaps

Drumming song by Florence + The machine

There's a drumming noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an almighty sound
There's a drumming noise inside my head
That throws me to the ground
I swear that you should hear it
It makes such an almighty sound
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
I ran to a (1)_____ where the church bells chime
I hoped (2)_____ they would clear my mind
They left a ringing in my ear
But that drum's still beating loud and clear
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
As I move my (3)_____ towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder
I run to the river and dive straight in
I pray that the water will drown out the din

But as the water fills my mouth
It couldn't wash the echoes out
But as the water fills my mouth
It couldn't wash the (4)_____ out
I swallow the (5)_____ and it swallows me whole
Till there's (6)_____ left inside my soul
As empty as that beating drum
But the (7)_____ has just begun
As I move my feet towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder
There's a drumming noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an almighty sound
There's a drumming noise inside my head
That starts when you're around
I swear that you (8)_____ hear it
It makes such an almighty sound
Louder than sirens
(9)_____ than bells
Sweeter than heaven
And hotter than hell
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
As I move my feet (10)_____ your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder

Fill in the gaps

Answer

1. tower
2. that
3. feet
4. echoes
5. sound
6. nothing
7. sound
8. could
9. Louder
10. towards
