#### You're Gonna Go Far Kid by The Offspring

Show me how to lie	And now you'll lead the way
You're getting better all the time	Show the (5) of day
And turning all against the one	Nice work you did
s an art that's hard to teach	You're gonna go far, kid
Another clever word	Trust, deceived!
Sets off an unsuspecting herd	
And as you get back into line	With a thousand (6)
A mob jumps to their feet	And a good disguise
	Hit (7) right between the eyes
Now dance, f**ker, dance	Hit 'em right between the eyes
Man, he never had a chance	When you walk away
And no one even knew	Nothing more to say
t was really only you	See the lightning in your eyes
	See 'em running for their lives
And now you steal away	
Take him out today	Now dance, f**ker, dance
Nice work you did	He never had a chance
You're gonna go far, kid	And no one even knew
	It was really only you
With a (1) lies	
And a good disguise	So dance, f**ker, dance
Hit 'em right between the eyes	I never had a (8)
Hit (2) (3) between the	It was really only you
(4)	
When you walk away	With a thousand lies
Nothing more to say	And a good disguise
See the lightning in your eyes	Hit 'em right between the eyes
See 'em running for their lives	Hit 'em right between the eyes
	When you (9) away
Slowly out of line	Nothing more to say
And drifting closer in your sights	See the lightning in your eyes
So play it out I'm wide awake	See 'em running for their lives
t's a scene about me	
There's something in your way	Clever alibis
And now someone is gonna pay	Lord of the flies
And if you can't get what you want	Hit 'em right (10) the eye
Well it's all because of me	Hit 'em right between the eyes
	When you walk away
Now dance, f**ker, dance	Nothing more to say
Man, I never had a chance	See the lightning in your eyes
And no one even knew	See 'em running for their lives
