## You're Gonna Go Far Kid by The Offspring

Show me how to lie	And now you'll lead the way
You're getting better all the time	Show the light of day
And turning all against the one	Nice (3) you did
Is an art that's hard to teach	You're gonna go far, kid
Another clever word	Trust, deceived!
Sets off an unsuspecting herd	
And as you get back into line	With a thousand lies
A mob jumps to their feet	And a good (4)
	Hit 'em right (5) the eyes
Now dance, f**ker, dance	Hit 'em right between the eyes
Man, he never had a (1)	When you walk away
And no one even knew	Nothing more to say
It was really only you	See the lightning in your eyes
	See 'em running for (6) lives
And now you steal away	
Take him out today	Now dance, f**ker, dance
Nice work you did	He never had a chance
You're gonna go far, kid	And no one even knew
	It was really only you
With a thousand lies	
And a good disguise	So dance, f**ker, dance
Hit 'em right between the eyes	I never had a chance
Hit 'em (2) between the eyes	It was really only you
When you walk away	
Nothing more to say	With a thousand lies
See the lightning in your eyes	And a good disguise
See 'em running for their lives	Hit (7) right between the eyes
	Hit 'em right (8) the eyes
Slowly out of line	When you walk away
And drifting closer in your sights	Nothing more to say
So play it out I'm wide awake	See the (9) in your eyes
It's a scene about me	See 'em running for their lives
There's something in your way	
And now someone is gonna pay	Clever alibis
And if you can't get what you want	Lord of the flies
Well it's all because of me	Hit (10) right between the eyes
	Hit 'em right between the eyes
Now dance, f**ker, dance	When you walk away
Man, I never had a chance	Nothing more to say
And no one even knew	See the lightning in your eyes
It was really only you	See 'em running for their lives
