## I still believe by Frank Turner

## Fill in the gaps

Hey ye, hey ye	Something as simple as rock & roll would save us all
Friends and roman country man	Now who'd had thought, that after all
Hey ye, hey ye	It was rock & roll
Punks and skins and journey man	I still believe
Hey ye, hey ye	-l still believe-
My sisters and my brother and	In the saints
The time is coming near	Yes in Jerry Lee and Johnny and all the greats
(1) ye, come ye	And I still believe
To sole less corporate circus stops	-l still believe-
Come ye, come ye	In the sound
To (2) (3) touring stops	That has the power to raise a temple and tear it down
Come ye, come ye	And I still believe
To bedrooms, bars and bunker swots	-l still believe-
The sound is ringing clear	In the need
Now who'd had thought, that after all	For guitars and (10) and desperate poetry
Something as simple as (4) & (5)	And I still believe
vould save us all	-l still believe-
Now who'd of thought, that after all	That everyone
It is rock & roll	Can find a song for every time they've lost
Hey ye, hey ye	And every time they've won
Now anybody could take this stage	Just remember folks we're not just saving lives
Hey ye, hey ye	We're saving souls
And make (6) for minimum wage	We're having fun
Hey ye, hey ye	And I still believe
These folk songs of the modern age	Now who'd had thought that after all
Will hold us all in their arms	Something as simple as rock & roll would save us all
Right here, right now	Now who'd had thought, that after all
Elvis brings his (7) home	Something so simple, something so small
Right here, (8) now	Who'd had thought, after all
You never had to feel alone	It's rock & roll
Right here, right now	
Teenage kicks and grammar phones	
We hold (9) in our hearts	
Now who'd had thought, that after all
