

Fill in the gaps

While I'm away
You can let the mask go down on you
Let the mask do what I do
If I was there
You'd better explain
That I have a vendetta in my narrow bones
I have a vindictive eye
Over jealousy, I (1) no control
Over jealousy, I (1) no control I (2) get your bullet out of my head now, baby
I (2) get your bullet out of my head now, baby
I (2) get your bullet out of my head now, baby I never get your (3) out of my mind
I (2) get your bullet out of my head now, baby I never get your (3) out of my mind I never get your bullet out of my (4) now, baby
I (2) get your bullet out of my head now, baby I never get your (3) out of my mind I never get your bullet out of my (4) now, baby I never get your (5) out of my mind
I (2) get your bullet out of my head now, baby I never get your (3) out of my mind I never get your bullet out of my (4) now, baby I never get your (5) out of my mind How can I get your bullet out of my (6) now?

And a wicked, indicative eye
Over yellow jealousy
I have no control, no control
I never get your bullet out of my head now, baby
I never get your (7) out of my mind
I never get your (8) out of my head now,
baby
I never get (9) bullet out of my mind
I get out of my head
I get out of my (10) now
I get out of my head
I get out of my head now
I get out of my head
I get out of my head now
I get out of my mind
