

Fill in the gaps

Twinkle, twinkle, little star star	He couldn't see which way to go
How I wonder (1) you are	If you didn't twinkle so
Up above the world's so high	No, I don't know
Like a diamond in the sky	(17) you are
(2) the (3) sun is gone	Twinkle, twinkle, little star
(4) there's (5) he shines upon	Twinkle, twinkle, little star
Then you (6) (7) little light	How I wonder what you are
And twinkle, twinkle, through the night	Up above the world so high
In the (8) blue sky	Like a diamond in the sky
You keep	Like a diamond (bis)
And (9) my curtains	You shine (18) (19)
you (10) peek	(20)like a diamond-
For you (11) (12) (13)	And twinkle, twinkle through the night
eyes	Twinkle, twinkle, (21) star
Till the sun is in the sky	How I wonder what you are
(14) a traveller in the dark	
Thanks you for (15) (16) snark
