

## Fill in the gaps

Rise, taste the air, lock and load, pull the trigger,	And this is all I need to feel alive, (oh yeah)
Climb, to new heights, and tell me, tell me what you hear	(Hey Jonny!)
A whisper from the wind, and I can't help but listen,	This is all I need to feel alive
It warns us of disaster, and I can't help but wonder,	Way to save the world!
Can anyone hear the (1) distress call?	Way to save the world!
So this is a quest to save the world,	Way to save the world!
And he'll always be (2) for another,	Wayto savethe world!
Another day, another chance to rescue	So this is a quest to (6) the world,
(OK Jonny, lock and load)	And he'll always be here for another,
This is all I need to feel alive,	Another day, (7) chance to rescue
(Remember now, aim small, missed mark)	So this is a quest to save the world,
The crashing of (3) waves and I can't help but	And he'll always be (8) for another,
listen,	Another day, (9) chance to
The screaming of the Earth, and I can't help but	(10)
So this is a quest to (4) the world,	This is all I need to feel alive
And he'll always be (5) for another,	
Another day, another chance to rescue
