

White coats by Foxes

-Could have, could-

As a child, my mother said to me

Don't be afraid to lead the way you see

And it's only you who knows

Nobody else can see

But do I chase myself into the dark?

In the thousand ways to lead me back to start

But you make it easy, you

To be who I want to be

And if the man in (1)_____ comes over

Then I know you'll still be there for me

To chase down the wolves (2)_____ us

I keep the memories (3)_____ my mind

To show me how to leave the darkness

You will take me home and then believe me

-Could have, could-

Take my hand and lead me out from here

Hunted down, their footsteps drawing near

I knew you would come for me

Fill in the gaps

I'm sorry you're in so deep

And if the man in white comes over

Then I know you'll (4)_____ be there for me

To chase down the wolves around us

I keep the (5)_____ (6)_____ my
mind

To show me how to leave the darkness

You (7)_____ take me (8)_____ and then believe
me

And know I was so scared, I could not see the light

I didn't want to be alone

But you just stand there

Watch them hold me down

I need to know that you're around

Know I was so scared, I could not see the light

I didn't (9)_____ to be alone

But you just stand there watch them hold me down

I need to (10)_____ that you're around
