

Fill in the gaps

-Could have, could-
As a child, my mother said to me
Don't be afraid to lead the way you see
And it's (1) you who knows
Nobody else can see
But do I chase myself into the dark?
In the thousand ways to lead me back to start
But you make it easy, you
To be who I (2) to be
And if the man in white comes over
Then I know you'll still be (3) for me
To chase (4) the wolves around us
I keep the memories inside my mind
To show me how to leave the darkness
You (5) take me home and then believe me
-Could have, could-
Take my hand and lead me out from here
Hunted down, their footsteps drawing near
I knew you would come for me

I'm sorry you're in so deep
And if the man in (6) comes over
Then I know you'll still be there for me
To chase down the (7) around us
I keep the memories inside my mind
To show me how to leave the darkness
You will take me home and then believe me
And know I was so scared, I could not see the light
I didn't want to be alone
But you just (8) (9)
Watch them hold me down
I need to know that you're around
Know I was so scared, I could not see the light
I didn't want to be alone
But you just stand there watch them hold me down
I (10) to know that you're around

- 1. only
- 2. want
- 3. there
- 4. down
- 5. will
- 6. white
- 7. wolves
- 8. stand
- 9. there
- 10. need
