

## Fill in the gaps

I fell in love with a wind-up souvenir	How do you cry with (7) eyes?	
I (1) her downtown as I was on my way to	You're never going smile with the way that you are	
meet you	And I feel so all alone	
She (2) the like the songs	I feel so all alone	
You used to sing to put me to sleep	And she sits on my shelf	
But now that you're gone	She (8) me think of you	
She's all that I've left to hold	The way she carries the things (9) remind me	of
And I feel so all alone	Who we used to be before we became antiques	
No one's going to fix me when I'm broke	She's a lot like you	
How do you cry (3) inanimate eyes?	When I hold her too tight	
You're never going smile with the way that you are	I know she'll break	
And I feel so all alone	She'll just take some glue to stay	
I came to you	And I feel so all alone	
I thought you might appreciate	No one's going to fix me when I'm broke	
The way that she dances	How do you cry with inanimate eyes?	
The painted look upon her face	You're never going to smile with the way that you are	
She must have come from the sun	And I feel so all alone	
I want to take her (4) the park	And I feel so all alone	
Where she'll tell me I'm all (5) she wants	I feel so all alone	
If she could (6) talk		
I feel so all alone		
No one's going to fix me when I'm broke
