

The gambler by Fun

Slow down

We've got time left to be lazy

All the kids have bloomed from babies

Into flowers in our eyes

We've got 50 good years left to spend out in the garden

I don't care to beg your pardon

We should live until we die

We were barely 18

When we'd crossed collective hearts

It was cold, but it got warm

When you'd barely crossed my eye

And then you turned, put out your hand

And you (1)_____ me to dance

I knew nothing of romance

But it was love at second sight.

I swear when I grow up

I won't just buy you a rose

I will buy the flower shop

And you will never be lonely

Even if the sun stops waking up over the fields

I will not leave, I (2)_____ not leave till it's our time

So just take my hand, you know that

I will never leave your side

It was the (3)_____ of 86

All the (4)_____ had frozen over

So we moved to Arizona

To save our only son

And now he's turning to a man

Although he thinks (5)_____ like his mother,

He believes we're all just lovers

He sees hope in everyone.

Fill in the gaps

And even though she moved away

We always get calls from our daughter

She has eyes just like her father's

They are blue when skies are grey

And just like him, she never stops

Never takes the day for granted

Works for everything that's handed to her

(6)_____ once complains

You think that I nearly lost you

When the doctors tried to take you away

But like the night you took my hand beside the fire

30 years ago to this day

You swore you'd be here

Till we decide that it's our time

But it's not time, you've never quit in all (7)_____ life

So just take my hand

You know that I'll never leave your side

You're the love of my life

You (8)_____ that I'll never (9)_____

(10)_____ side

You come home from work and you kiss me on the eye

You curse the dogs

You say that I should never feed them

"Wacht its eyes"

And so we move out to the garden

Look at everything we want

And the kids are coming home

So I'll set the table

You can make the fire
