

Fill in the gaps

Slow down	And even though she (17) away
We've got (1) left to be lazy	We always get calls from our daughter
All the kids have bloomed from babies	She has eyes just like her father's
Into flowers in our eyes	They are (18) when (19) are grey
We've got 50 good years left to spend out in the garden	And just like him, she (20) stops
I don't care to beg your pardon	Never takes the day for granted
We should live until we die	Works for (21) that's handed to her
We were barely 18	Never once complains
(2) we'd crossed collective hearts	You think that I nearly (22) you
It was cold, but it got warm	When the doctors tried to take you away
(3) you'd (4) (5)	But like the night you took my hand (23) the
my eye	fire
And then you turned, put out your hand	30 years ago to this day
And you (6) me to dance	You (24) you'd be (25)
I knew nothing of romance	Till we decide that it's our time
But it was love at second sight.	But it's not time, you've never quit in all your life
I swear when I grow up	So just take my hand
I won't just buy you a rose	You (26) (27) I'll never leave your side
I will buy the flower shop	You're the love of my life
And you will never be lonely	You know that I'll never leave (28) side
Even if the sun stops (7) up (8)	You come home from work and you kiss me on the eye
the fields	You curse the dogs
I will not leave, I will not (9) till it's our time	You say that I should never feed them
So (10) my hand, you know that	"Wacht its eyes"
I will never (12) your side	And so we move out to the garden
It was the winter of 86	(29) at everything we want
All the (13) had frozen over	And the kids are coming home
So we moved to Arizona	So I'll set the table
To save our only son	You can make the fire
And now he's turning to a man	
Although he thinks just (14) his mother,	
He believes we're all (15) (16)	
He sees hope in everyone.
