

## Fill in the gaps

Slow down		And even though she moved away	
We've got time left to be lazy		We always get (7)	from our daughter
All the kids have (1)	from babies	She has eyes just like her fathe	r's
Into flowers in our eyes		They are blue when skies are grey	
We've got 50 good years left to spend out in the garden		And just like him, she never stops	
I don't care to beg your pardon		Never takes the day for granted	
We should live until we die		Works for everything that's handed to her	
We were barely 18		Never once complains	
When we'd crossed collective hearts		You think that I nearly lost you	
It was cold, but it got warm		When the doctors tried to take you away	
When you'd barely crossed my eye		But like the night you took my hand beside the fire	
And then you turned, put out your hand		30 years ago to this day	
And you asked me to dance		You swore you'd be here	
I knew nothing of romance		Till we decide that it's our time	
But it was love at second sight.		But it's not time, you've never quit in all your life	
I swear when I grow up		So just take my hand	
I won't just buy you a rose		You know that I'll never leave (8) side	
I will buy the flower shop		You're the love of my life	
And you will never be lonely		You know that I'll never leave your side	
Even if the sun stops waking up over the fields		You come home from (9) and you kiss me on the	
I will not leave, I (2) not leave (3) it's		eye	
our time		You curse the dogs	
So just take my hand, you know that		You say that I should never feed them	
I will never leave your side		"Wacht its eyes"	
It was the winter of 86		And so we move out to the gard	den
All the fields had (4) or	ver	Look at everything we want	
So we moved to Arizona		And the (10) are con	ming home
To save our only son		So I'll set the table	
And now he's turning to a man		You can make the fire	
Although he thinks just like his mother,			
He believes we're all just (5)			
He (6) hope in everyone.			

## Answer 1. bloomed

- 2. will
- 3. till
- 4. frozen
- 5. lovers
- 6. sees
- 7. calls
- 8. your
- 9. work
- 10. kids
