

Fill in the gaps

Pinning polaroids on a	cold brick wall		
(1)	fairy lights on the	e (2)	porch
Gravitating to the near	est brawl		
We're only young so w	e'll come (3)	for more	e
And we'll let (4) off at midnight			
Looking for that cinema	atic view		
We don't listen to advice	ce		
We're living (5)			
Of sweet maroon			
Sweet maroon, sweet	maroon, (6)	maroc	on
This isn't over till it ends			
(7) is the one thing that we want to keep			
And when it's done we'll still pretend			
(8)	we're the ones th	nat never sleep	
Never sleep, never sleep			
Lights are burning fast in front of us			
Our money's (9) inside collecting dust			
We'll stay awake at night			
We don't wanna waste			
A second of our time			
Of our time, of our time			
We only lie when asked if we're okay			
We lock ourselves up			
We only pray			
That we won't be the sterling silver			
That (10) grey			
We are the sparks that	never fade		
Never fade, never fade	e, never fade
