

Fill in the gaps

I never meant to be so bad to you	(CHORUS)
One thing I said that I would (1) do	'Cause it's the (8) of the moment
A look from you and I would fall from grace	Heat of the moment
And that would wipe (2) smile right from my face	Heat of the moment showed in your eyes
Do you remember (3) we used to dance	And when your looks are gone and you're alone
And incidence arose from circumstance	How many nights you sit beside the phone
One thing (4) to another we (5) young	What were the things you wanted for yourself
And we would scream together songs unsung	Teenage ambitions you remember well
(CHORUS)	(CHORUS)
It was the heat of the moment	It was the heat of the moment
Telling me what a heart meant	Telling me what (9) heart meant
Heat of the moment (6) in (7) eyes	Heat of the moment showed in your eyes
And now you find yourself in 82	It was the heat of the moment
The disco hotspots hold no charm for you	Heat of the moment
You can't concern yourself with bigger things	Heat of the moment showed in your (10)
You catch a pearl and ride the dragons wings
