

The parts that won't give out when things get hard

## Fill in the gaps

| We are difficult to understand              |    | (4)                                    | up and (5)            | _ my spine |
|---|----|--|-----------------------|------------|
| It was hard to make this simple plan work   |    | Feed to the teeth                      |                       |            |
| Difficult, but that's what made it burn     |    | Inside this big (6)_                   | world                 |            |
| (1) a satellite (2) m                       | ny | Inside this big brigh                  | t world               |            |
| heart                                       |    | Inside this big brigh                  | t world               |            |
| One million miles before the start          |    | Round and around in the setting sun    |                       |            |
| Indescribable, but that's what makes it you |    | Round and around in the setting sun    |                       |            |
| Shivers up and down my spine Round a        |    | Round and around in the setting sun    |                       |            |
| Feed to the teeth                           |    | Round and around and around and around |                       |            |
| Inside this big bright world                |    | (7)                                    | this big bright world |            |
| Inside this big bright world                |    | Inside this big bright world           |                       |            |
| Inside this big bright world                |    | (8)                                    | this big bright world |            |
| We rage against the dying                   |    | Rage against the dying                 |                       |            |
| Rage against the dying light                |    | Rage (9)                               | the dying light       | t          |
| You're mysterious, you (3) no sense         |    | I'm with you                           |                       |            |
| I love you because you're innocent          |    | (bis)                                  |                       |            |
| You fell out through a hole inside the sun  |    |  |                       |            |
| So magnify the best inside me               |    |  |                       |            |
| Build the parts so you can't find me        |    |  |                       |            |
