Salute the sun I've been sitting here all night long	Into your arms I'm falling
Hauling rock over Buddha	-I'm falling, I'm falling-
(1) the Longhorn	I don't know why they are calling on the radio
Got a hole rip a pocket off my uniform	They know I'm here just out of sight
With the Black Watch (2) get your heads down	I don't know why they're calling on the radio
Duty calls but it is way too late	He's by my side and I know I'm right
I'm too far gone	I don't (6) why they are calling on the radio
Waiting for Godot hell with my pants down	They know I'm here just out of sight
Cracked the stash sent me crying in the midday sun	I don't know why they're calling on the radio
I miss my dog and I (3) my freedom	He's by my side and I (7) I'm right
I don't know why they are calling on the radio	My brain my body's fried
They know I'm (4) just out of sight	I've got to stay alive
I don't know why they're calling on the radio	I've got to take a chance and keep on moving
He's by my side and I know I'm right	Keep on moving
I don't know why they are calling on the radio	I don't know why they are calling on the radio
They know I'm here just out of sight	They know I'm here just out of sight
I don't know why they're calling on the radio	I don't know why they're (8) on the radio
He's by my (5) and I know I'm right	He's by my side and I know I'm right
I hate the things I think about you when I'm all alone	I don't know why they are calling on the radio
I know you're tough but I've been gone for so long	God is on my (9) and I (10) I'm right
I play the memories of you inside my head	I don't know why they are calling on the radio
So all these pictures of us burn and radiate	God is on my side and I know I'm right
Watch the clouds and I'm falling	I see your light from miles away
Falling through the cracks	I see your light from miles away
Head beats and the heart is pounding fast	
Off the ground into the starry dark
