

## Fill in the gaps

Dreams, that's where I (1) to go	But I'm not even close (10) you
To see your beautiful face anymore	If you ask me how I'm doing
I stare at a picture of you, and listen to the radio	I (11) say I'm (12) just fine
Hope, hope there's a conversation	I would lie and say that you're not on my mind
Where we both admit we had it good	But I go out and I sit down at a (13) set for two
But until (2) it's alienation, I know	And finally I'm forced to face the truth
(3) (4) is understood and I realize	No matter what I say I'm not over you
If you ask me how I'm doing	And if I had the (14) to renew
I (5) say I'm doing just fine	You know (15) isn't a thing I wouldn't do
I would lie and say that you're not on my mind	I could get back on the right track
But I go out and I sit down at a table set for two	But (16) if you'd be convinced
And (6) I'm forced to face the truth	So until then
No (7) what I say I'm not over you	If you ask me how I'm doing
Not over you	I would say I'm (17) just fine
Damn, damn girl you do it well	I would lie and say that you're not on my mind
And I thought you were innocent	But I go out and I sit down at a (18) set for two
Took this (8) and put it through hell	And (19) I'm (20) to face
But (9) you're magnificent	the truth
I'm a boomerang, doesn't matter how you throw me	No (21) I say I'm not over you
I turn around and I'm back in the game	
Even better than the old me	Not over you, not over you, not over you
