Black Sheep by Gin Wigmore

Fill in the gaps

I got lots of jealous lovers	I'm a bad woman to keep
That all wish (1) had me back	Make me mad, I'm not here to please
Got a (2) for a mouth, my own mamma gave	Paint me in a corner, but my colour comes back
me that	(7) you go black you never go back
Making my own road out of gravel and some wine	I'm a black sheep
If I have to (3) it won't be in your	I'm a black sheep
line	I got lots of jealous lovers
Everybody's doing it so why the hell should I?	That all wish they had me back
Everybody's doing it so why the hell should I?	Got a pistol for a mouth, my own mamma gave me that
I'm a bad woman to keep	Making my own road out of gravel and some wine
Make me mad, I'm not (5) to please	If I have to fall then it won't be in your line
Paint me in a corner	I'm a bad woman to keep
But my colour comes back	Make me mad, I'm not here to please
Once you go black you never go back	Paint me in a corner, but my colour comes back
I'm a black sheep	Once you go black you never go back
I'm a black sheep	Once you go black you never go back
I wasn't born a beauty queen but I'm okay with that	Once you go black you (8) go back
Maybe radio won't mind	Once you go black you never go back
If I sing a little flat	Once you go (9) you never go back
I wear my boots to bed, hang a cross up on the wall	
To save me from a shallow (6)	
Who wants to take us all	
Everybody's doing it so why the hell should I?	
Everybody's doing it so why the hell should I?
