Fill in the gaps

I dropped you off Just a little (1)_____ midnight Sat in my car Till you turned off your porch light I should have (2)_____ you I should have pushed you up against the wall I should have kissed you (3)____ like I wasn't scared at all I (4)_____ off the car Ran through the yard Back to your front door Before I could knock You turned the lock And met me on the front porch And I kissed you, goodnight And now that I've kissed you _____ a good night, good night, baby goodnight You couldn't see me Watching through the window Wondering (6)_____ went wrong Praying (7)_____ you wouldn't go

You should have kissed me

You should have kissed me

You should have pushed me up against the wall

I was right on the edge and ready to fall
So I turned off the car
Ran through the yard
Back to your front door
Before I could knock
You turned the lock
And met me on the front porch
And I (8) you, goodnight
And now that I've (9) you
It's a good night, good night, baby goodnigh
I turned off the car
Ran through the yard
Back to your front door
Half scared to death can't catch my breath
Aren't these the moments we live for?
And I kissed you, goodnight
And now that I've (10) you
It's a good night, good night, baby goodnigh
It's a good night, good night, baby goodnigh
It's a good night, good night, baby goodnigh
It's a good night, good night, baby goodnigh
