## (Kissed you) Good night by Gloriana

I dropped you off
Just a little after midnight
Sat in my car
Till you turned off your porch light
I should have kissed you
I should have pushed you up against the wall
I should have kissed you
Just like I wasn't scared at all
I turned off the car
Ran through the yard
Back to your front door
Before I could knock
You turned the lock
And met me on the front porch
And I kissed you, goodnight
And now that I've kissed you
It's a good night, good night, baby goodnight
You couldn't see me
Watching through the window
Wondering what went wrong
Praying that you wouldn't go
You should have kissed me
