

## Fill in the gaps

And I, I blow out a wish in	Giving way to feelings no one ever stays long
Made it my mission	It's over when you (3) up
To end the conflict	So I knew that it was in the picture perfect world
But oh, I blow out a wish in	We can be more than before
Hoping you'd listen	Said it was, I made it stronger
Be my accomplice	Don't get mad
But oh, relax, it's only dreaming fast	You did your best
(1) way to (2) no one	And now it's all in the past to stay
ever stays long	So I knew that it was in the (4)
It's over when you wake up	(5) world
So I knew that it was in the picture perfect world	We can be more than before
We can be more than before	I (6) it was, I (7) it stronger
I said it was, I made it stronger	In the picture perfect world
From the beginning my head was spinning	We can be (8) than before
The perfect start, oh, a church	I said it was, I made it stronger
A place to fit in, a new religion	
I found your heart	
Relax, it's only dreaming fast
