

When you tell yourself you're traveling right

## Fill in the gaps

Seventeen seconds and I'm over it		But it's (8) now
Ready for the disconnect		-Was it (9) worth it baby?-
(1) on a brave face		Alright now
Trying not to listen		-Was it just a waste of time?-
To the voices in the back of my head		Keep on second-guessing
But it's (2) now		Use my memory like a weapon
-lt's a (3) (4)	baby-	On everything I try
Alright now		Wearing me out
-You know you should just let it go-		-All this-
Some feelings have a habit of persisting		Hanging around
Even though you wouldn't let it show		-lt just starts-
Wearing me out		Getting me down
-All this-		-Till I'm just-
Hanging around		Looking for an easy way out
-It just starts-		Wearing me out
Getting me down		-But it's alright now-
-Till I'm just-		(10) around
Looking for an easy way out		-Alright now-
Brain dead from boredom		Getting me down
I'm led to distraction		-But it's alright now-
(5) the (6)	of life	Looking for an easy way out
(7) really happens		
But it's easy to keep busy
