

When you tell yourself you're traveling right

## Fill in the gaps

(1) seconds and I'm (2) it	But it's alright now
Ready for the disconnect	-Was it really worth it baby?-
Putting on a (3) face	Alright now
Trying not to listen	-Was it just a waste of time?-
To the voices in the back of my head	Keep on second-guessing
But it's alright now	Use my memory like a weapon
-lt's a distant memory baby-	On everything I try
Alright now	Wearing me out
-You (4) you should just let it go-	-All this-
Some feelings have a habit of persisting	Hanging around
Even (5) you wouldn't let it show	-It just starts-
Wearing me out	Getting me down
-All this-	-Till I'm just-
Hanging around	(8) for an easy way out
-lt (6) starts-	Wearing me out
Getting me down	-But it's alright now-
-Till I'm just-	Hanging around
Looking for an (7) way out	-Alright now-
Brain dead from boredom	Getting me down
I'm led to distraction	-But it's (9) now-
Scratching the surface of life	Looking for an (10) way out
Nothing really happens	
But it's easy to keep busy
