

Fill in the gaps

(1) seconds and I'm (2) it	But it's alright now
Ready for the disconnect	-Was it really worth it baby?-
Putting on a brave face	(16) now
(3) not to listen	-Was it just a (17) of time?-
To the voices in the (4) of my head	Keep on second-guessing
But it's alright now	Use my (18) a weapon
-It's a distant (5) baby-	On everything I try
Alright now	Wearing me out
-You know you should (6) let it go-	-All this-
Some feelings (7) a habit of persisting	(20) around
Even though you wouldn't let it show	-It just starts-
(8) me out	(21) me down
-All this-	-Till I'm just-
(9) around	(22) for an easy way out
-It just starts-	Wearing me out
(10) me down	-But it's alright now-
-Till I'm just-	(23) around
(11) for an (12) way out	-Alright now-
Brain dead from boredom	Getting me down
I'm led to distraction	-But it's alright now-
Scratching the surface of life	Looking for an (24) way out
(13) really happens	
But it's easy to (14) busy	
When you tell yourself you're (15)	
ight	

Fill in the gaps

- 1. Seventeen
- 2. over
- 3. Trying
