We all have a weakness	at least we dig each other.
But some of ours are easy to identify. Look me in the eye,	So when sickness turns my ego up
and ask for forgiveness.	I (7) you'll act as a clever medicine.
We'll make a pact to never speak (1) word again.	If I turn into another,
Yes, you are my friend.	dig me up from (8) what is covering
We all (2) something that digs at us,	The better part of me.
at least we dig each other.	Sing this song!
So when weakness turns my ego up	Remind me that we'll always have each other
I know you'll count on the me from yesterday.	when everything else is gone.
If I turn into another	Oh, each other when everything else is gone.
dig me up from under what is covering	Oh! If I turn into another,
the better part of me.	Dig me up from under what is covering
Sing this song	the better (9) of me,
remind me (3) we'll always (4) each	Sing this song!
other	remind me that we'll always have each other,
when everything else is gone.	When everything else is gone
We all have a sickness	Oh! Each Other, When everything else is gone.
that cleverly attaches and multiplies	Oh, Each other,When everything (10) is gone
No (5) how we try.
