Fill in the gaps

Yeah, I am a man, man, man	It's the colours you have
Up, up in the air	No need to be sad
And I run around, around, around, (1) this	It really ain't that bad
town, town	It's the colours you have
And act (2) I don't care	No need to be sad
So when you see me (3) by the planet's	It really ain't that bad
moon	It's the colours you have
You don't need to explain if everything's changed	No need to be sad
Just know I'm just like you	You've still got your hands
So I pull the switch	So I am a man, man, man, man
The switch, the switch inside my head	Up, up in the air
And I see black, black, green and brown	And I float around, around, around this town, town
Brown, brown and blue, yellow, violets, red	And know I shouldn't care
And suddenly a light appears inside my brain	So when you see us there
And I think of my ways	There out in the (6) road
I think of my days and know that I have changed	You don't need to explain
It's the (4) you have	If everything's changed
No need to be sad	Just know (7) you don't know
It really ain't that bad	We call it life
It's the colours you have	Oh yeah, that's what we call it
No need to be sad	When we can't call it at all
You've still got your hands	We call it life
So mistress, mistress have you been up to the roof?	Oh yeah, that's what we call it
He shot himself, self	When you can't call it at all
There's blood on the wall	Yeah, We (8) it oh
Because he couldn't face the truth	That's what we (9) it
Oh, knock that down	We do it for love, (10) love
(5) the ground and find some space	
And tell your friends, friends
