

Fill in the gaps

Yeah, I am a man, man, man	It's the colours you have
Up, up in the air	No need to be sad
And I run around, around, around (1)	It really ain't (16) bad
town, town	It's the (17) you have
And act like I don't care	No need to be sad
So when you see me flying by the planet's moon	It really ain't that bad
You don't (2) to explain if everything's changed	It's the colours you have
Just know I'm (3) you	No need to be sad
So I pull the switch	You've still got (18) hands
The switch, the switch inside my head	So I am a man, man, man
And I see black, black, green and brown	Up, up in the air
Brown, brown, (5) and blue, yellow, violets, red	And I (19) around, around, around this town,
And suddenly a light appears (6) my brain	town
And I think of my ways	And know I shouldn't care
I think of my (7) and know that I have changed	So when you see us there
It's the (8) you have	There out in the open road
No need to be sad	You don't (20) to explain
It really ain't (9) bad	If everything's changed
It's the colours you have	Just know that you don't know
No need to be sad	We call it life
You've still got (10) hands	Oh yeah, that's (21) we call it
So mistress, mistress (11) you been up to the	When we can't call it at all
roof?	We (22) it life
He shot himself, self	Oh yeah, that's what we call it
There's (12) on the wall	(23) you can't (24) it at all
Because he couldn't face the truth	Yeah, We call it oh
Oh, knock that down	That's what we call it
(13) the ground and (14) some	We do it for love, (25) love
space	
And (15) your friends, friends	
You'll be back again, again	
Before it's too late
