Colours by Grouplove

Yeah, I am a man, man, man, man

Up, up in the air

And I run around, around, around, around this town, town

And act like I don't care

So when you see me flying by the planet's moon

You don't need to explain if everything's changed

Just know I'm just like you

So I pull the switch

The switch, the switch inside my head

And I see black, black, green and brown

Brown, brown, brown and blue, yellow, violets, red

And suddenly a light (1)_____ inside my brain

And I think of my ways

I (2)_____ of my days and know (3)_____ I have changed

It's the colours you have

No need to be sad

It really ain't that bad

It's the colours you have

No (4)_____ to be sad

You've still got your hands

So mistress, mistress have you been up to the roof?

He shot himself, self

There's blood on the wall

Because he couldn't face the truth

Oh, knock that down

Leave the ground and find some space

And tell your friends, friends

You'll be back again, again

Before it's too late

It's the colours you have

No need to be sad

It really ain't that bad

It's the colours you have

No (5)_____ to be sad

It really ain't that bad

It's the colours you have

No need to be sad

You've still got your hands

So I am a man, man, man, man

Up, up in the air

And I float around, around, around this town, town

And know I shouldn't care

So when you see us there

There out in the open road

You don't need to explain

If everything's changed
