Stereo Hearts by Gym Class Heroes

My heart's a stereo	And all I ask is that you don't get mad at me
It beats for you, so listen close	When you have to (17) mad D batteries
Hear my thoughts in every note	Appreciate (18) mixtape your
Make me your radio	(19) make
And turn me up when you feel low	You never know we come and go like on the interstate
This melody was meant for you	I think I (20) (21) a note to
(1) sing along to my stereo	make you understand
Gym Class Heroes baby	If you can hit it, sing along and take me by the hand
If I was (2) another dusty record on the shelf	(22) keep me stuck inside your head, like your
Would you blow me off and play me like everybody else?	favorite tune
If I asked you to (3) my back, could you	You (23) my heart's a stereo that only plays for
manage that?	you
Like yeah f*cked up, check it Travie, I can (4)	My heart's a stereo
that	It beats for you, so listen close
Furthermore, I apologize for any skipping tracks	Hear my thoughts in every note
It's just the last girl that played me	Make me your radio
Left a couple cracks	And (24) me up when you feel low
I used to, used to, now I'm over that	This melody was meant for you
(5) holding grudges over love is ancient	(25) sing along to my stereo
artifacts	To my stereo
If I could only find a note to make you understand	So sing along to my stereo
I'd sing it softly in your ear and grab you by the hand	I only pray you'll never (26) me behind
(6) keep it stuck inside (7) head, like	-never leave me-
your favorite tune	Because good music can be so hard to find
And now my heart's a (8) only	-so hard to find-
(10) for you	I take your head and (27) it closer to mine
My heart's a stereo	Thought love was dead
It beats for you, so listen close	But now you're (28) my mind -come on-
Hear my thoughts in (11) note	My heart's a stereo
Make me your radio	It beats for you, so listen close
And turn me up when you feel low	Hear my (29) in every note
This melody was meant for you	Make me your radio
(12) sing along to my stereo	Turn me up when you feel low
To my stereo	This melody was meant for you
So (13) to my stereo	Just sing along to my stereo
Let's go!	To my stereo
If I was an old-school fifty pound boombox	-it's your boy Travie, Gym Class Heroes baby-
-remember them?-	So sing along to my stereo
Would you hold me on your shoulder	
(15) you walk	
(16) you turn my volume up in front of the cops	
-turn it up-	
And crank it higher everytime they told you to stop
