

Fill in the gaps

You got me caught in all this mess	When you go in for a hug and your cheeks brush
guess we can blame it on the rain	Tell me am I crazy
My pain is (1) I can't have you	Or is this more than a crush?
can't have you	Maybe I'm alone in this
Tell me, does she look at you the way I do?	But I find peace in solitude knowing
Try and understand the words you say	If I had but (4) one (5) this
And the way you move?	(6)(7)
Does she get the same big rush	Would be glowing
When you go in for a hug and (2) cheeks brush?	We'd be glowing
Tell me, am I crazy	We'd be glowing
Or is this more than a crush?	(8) she, tell me
catch my breath	Does she look at you the way I do
The one you took	Try and understand the words you say
The moment you (3) the room	And the way you move
My heart, it breaks at the thought	Does she get the same big rush
Of her holding you	When you go in for a hug and (9) cheeks brush
Does she look at you the way I do	Tell me am I crazy
ry and understand the words you say	Or is this more than a crush?
and the way you move	Is this more than a crush?
Does she get the same big rush
