

You know I d fall apart without you
I don't know how you do what you do
Because everything that don't make sense about m
(1) sense when I'm with you
Like everything that's green, girl I need you
But it's more than one and one makes two
Put aside the math and the (2) of it
You (3) know you want it too
Because I wanna wrap you up
Wanna kiss your lips
I wanna make you feel wanted
And I wanna call you mine
Wanna hold (4) hand forever
Never let you forget it
I wanna make you feel wanted
Anyone can tell you you're pretty
You get that all the time, I know you do
But your beauty is deeper than the make up
And I wanna show you what I see tonight
When I wrap you up
When I kiss your lips
I, I (5) make you feel wanted
