

## Fill in the gaps

We throw tantrums like parties	I (14) get well, I wanna get well
We're not happy till everyone	Are the rest of you so content
Knows we're (1)	Stay where you are but it hurts like hell
And that's just how we like it	And I'm sure it's fun at first
We've hurt bad enough, right, we've earned it	Test (15) pulse and check your vitals
Don't tell the others	If it's only a game you lost me
But it's all getting old, I mean	I (16) it with the suicidal recital
How many more times (2) our stories be told?	Yes, we should've known it (17) end this way
And being lonely's only fun in a group	What did you expect, (18) it all away
It sort of loses it's charm when it's true	And all we've got left is a sorry pile of (19)
I meant it when I said	I'm getting out, gonna write myself a new start
I wanna get well, I wanna get well	Come on dry your eyes, meet me on the other side
Are the (3) of you so content?	Run as fast as you can and we'll make it out
Stay where you are but it hurts like hell	(20)
And I'm sure it's fun at first	We know better now, we don't (21) to live like
(4) your pulse and (5) your	(22)
(6)	Go tell them all we don't have to (23) like this
If it's only a game you lost me	-I meant it when I (24) I wanna get well-
I quit it with the suicidal recital	I meant it when I said
So now you (7) all my secrets	I wanna get well, I wanna get well
I want out, I know I don't need this	Are the rest of you so content
Can you find me (8)	Stay where you are but it hurts like hell
(9) don't rank me on what I've been through?	And I'm sure it's fun at first
The more battle scars the more attention it gets you	Test your pulse and check your vitals
Don't tell the others	If it's only a game you lost me
But it's all getting old, I mean	I (25) it with the suicidal recital
How many more times (10) our stories be told?	If it's only a game you lost me
And (11) lonely's only fun in a group	I quit it with the (26) recital
It (12) of loses it's (13) when it's true	
I meant it when I said
