Make a move by Icon for hire

-Somebody make a move-
-Somebody make a move, somebody-
Test my reality
Check if there's a weak spot
Clinging to insanity
Hopes the world will ease up
Try to make it look like
It's all (1)_____ getting better
Because I know how to (2)_____ it pretty good
Against the measure
Everyone started out a little insane
But you learn pretty quick how to fake it for the game
But some of you
Never learned to drop the act
So under that skin of yours: a heart attack
Because everybody's so scared
We don't (3)_____ go there
We don't wanna make a move
We got all us to live screaming in the dark
While we just play our part
I'll play right along
Like I don't know what's (4)_____ on
Somebody make a move
Somebody make a move
Please somebody make a move
We all know, we all know what's going on
Hey if I had the answers I'd have written them out
So I could tell you what to do and what this thing is about
But all I've (5)_____ learned comes second-hand
And I dare not preach what I don't detest
You and I, we (6)_____ the same disease
Cover up, compromise what we grieve
I've let more than my share of revivals die
This isn't pretty but it's what I am tonight
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all us to live screaming in the dark

While we just play our part
I'll (7)_____ right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
(8)_____ somebody make a move
We all know, we all know what's going on
Pointing my fingers the problems still linger
They keep getting bigger and I hold the trigger
Running with fire I live like a liar
Please somebody make a move
-Somebody make a move- I'm pointing my fingers
-Somebody (9)_____ a move- The problems still linger
- Somebody make a move- I'm pointing my fingers
Please somebody make a move
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
Screaming in the dark
While we just play our part
I'll play right along
Because everybody's so scared
We don't wanna go there
We don't wanna make a move
We got all us to live screaming in the dark
While we just play our part
I'll play right along
Like I don't know what's going on
Somebody make a move
Somebody make a move
Please somebody make a move
We all know, we all know what's going on
Somebody make a move
Somebody (10)_____ a move
Please somebody make a move
We all know, we all know what's going on
