

Fill in the gaps

We always dreamed about this better life, this better	life
We always thought we'd come in all along, yeah all	alor
We got the keys to open paradise, your paradise	
Now let's go walking hand in hand	
Come on baby we can hit the lights	
Make the wrongs turn right	
We can smash the club	
Make the pop go rock	
With a love this deep	
We don't need no sleep	
And it feels like	
We could do this all night	
We could do this all night	
Yeah, everything is alright	
We got the keys to open paradise, your paradise	
It feels like we could do this all night	
We could do (1) all night	
Oh, we can dance (2) the summer sk	ies
The summer skies	
The seasons change, our hearts will stay the same	
Yeah stay the same	
We got the burning feeling, start a fire	
(3) a fire	
Give it a shout let's make it hot	
Come on baby we can hit the lights	
Make the (4) turn right
