

## Fill in the gaps

We can smash the club
Make the pop go rock
With a love this deep
We don't need no sleep
And it feels like
We could do (19) all night
We could do this all night
Yeah, everything is alright
We got the (20) to open paradise, your paradise
It feels like we could do this all night
We (21) do this all night
Come on (22) we can hit the lights
Make the wrongs turn right
We can smash the club
Make the pop go rock
(23) a love this deep
We don't need no sleep
And it feels like
We could do (24) all night
We (25) do this all night
We (26) do this all night
Yeah, (27) is alright
We got the keys to open paradise, your paradise
It feels like we could do this all night
