

Make the wrongs turn right

Fill in the gaps

We always (1) (2) this better	We can smash the club
life, this better life	Make the pop go rock
We always thought we'd come in all along, yeah all along	With a love this deep
We got the keys to open paradise, your paradise	We don't need no sleep
Now let's go walking hand in hand	And it feels like
Come on baby we can hit the lights	We could do this all night
(3) the wrongs turn right	We could do this all night
We can smash the club	Yeah, everything is alright
Make the pop go rock	We got the keys to open paradise, your paradise
(4) a love this deep	It feels like we could do this all night
We don't need no sleep	We could do this all night
And it (5) like	Come on (8) we can hit the lights
We could do (6) all night	Make the wrongs turn right
We (7) do this all night	We can smash the club
Yeah, everything is alright	Make the pop go rock
We got the keys to open paradise, your paradise	With a (9) this deep
It feels like we could do this all night	We don't need no sleep
We could do this all night	And it feels like
Oh, we can dance under the summer skies	We could do this all night
The summer skies	We (10) do this all night
The seasons change, our hearts will stay the same	We could do this all night
Yeah stay the same	Yeah, everything is alright
We got the burning feeling, start a fire	We got the keys to open paradise, your paradise
Start a fire	It feels like we could do this all night
Give it a shout let's make it hot	
Come on baby we can hit the lights
