

## Fill in the gaps

All I need in this (1) of sin	I want to feel the sun, the waves, the wind in my face
Is me and my girlfriend	The speed, the chase
Time to ride to the happy end	I want to feel the sun, the waves
It's me and my girlfriend	Just (8) to cross states
Where would you be, be (2) me?	Making up as we go
We'll never find out	That's how's going to be
What would I do, do without you?	Young, wild and free
We'll never know now	Not (9) to slow down
(3) about the lights the dirt, the sh*t that	Up to the max
nurts	Until we crash
We're not going to turn around	We're not going to (10) now
We're doing this for good, for worse	All I need in this life of sin
The gift, the curse	Is me and my girlfriend -me and my girlfriend-
We're not going to back down	Time to ride to the happy end
All I need in this (4) of sin	It's me and my girlfriend -me and my girlfriend-
Is me and my girlfriend -me and my girlfriend-	All I need in this life of sin
Time to ride to the happy end	Is me and my girlfriend -me and my girlfriend-
It's me and my girlfriend -me and my girlfriend-	Time to ride to the happy end
All I (5) in this (6) of sin	It's me and my girlfriend -me and my girlfriend-
Is me and my girlfriend -me and my girlfriend-	
Time to (7) to the happy end	
It's me and my girlfriend -me and my girlfriend-
